STK LINE-A-BED • SKID-RESISTANT BED LINERS

SUPERIOR PROTECTION:

From the leader in truck bed innovation, the original Line-A-Bed™ bedliner is now better than ever. "SR" skid resistant technology helps keep loads secure and doesn't wear off like "scuffed" skid resistant surfaces used by other brand bedliners. Line-A-Bed SR™ bedliner is loaded with features & delivers superior truck bed protection at an affordable price.

BUILT-IN DURABILITY:

The Line-A-Bed SR™ bedliner is molded of durable, high density polyethylene to last as long as your truck. The high-ribbed floor pattern is designed to promote drainage and create additional cushioning against denting—a feature that you don't get with other types of bed protection.

- Molded in Supports for Two Tier Stacking
- SR Skid Resistant Surface Helps Keep Loads Secure

Molded Two-Tier Stacking

VEHICLE PROTECTION • BED MATS

STK LINE-A-BEDMAT PREMIUM BEDMATS

HEAVYWEIGHT TRUCK MATS

The Line-A-Bedmat provides a custom-fit to protect the floor of most pickup trucks, and works great with camper tops and tonneau covers.

Made of thick black rubber, it will not crack or tear, even in extreme weather.

Line-A-Bedmat reduces the damaging effects of cargo, and its anti-skid ribbed surface helps prevent cargo from shifting.

FEATURES:

- Custom fit for your vehicle
- Constructed of thick reinforced rubber
- Raised ribs run lengthwise for easier loading and unloading of cargo
- Knobby underside promotes aeration
- Tailgate cover sold separately
- Economical truck-bed floor protection
